

How can I help with my child's learning?

All the fun activities that you do with your child at home are important in supporting their learning and development, and have a really long lasting effect on your child's learning as they progress through school.

If you make the time every day to do some of the following things with your child it will make a real difference to your child's confidence as a young learner

Also:

- Support your child with their weekly homework that is given out on a Friday.
- Read with your child – both their school reading book and their guided reading book - and other books too!
