Welcome

Welcome to Lower Key Stage 2 and Year 3! We are very excited to start our learning journey together in September. The three year 3 classes will be taught by Miss Evans (3KE), Miss Tingling (3MT) and Miss Blackburne (3RB).

We will also be supported in our learning by our very committed teaching assistants who are Mrs El Arabi, Miss Broughton and Mrs Pfitzman.

Routines and Timetables

We will begin welcoming the children into the building from 8:45am, so that school can start promptly at 8.50am. The school day finishes at 3.20pm. Your child will enter and exit the building through the Blaggs Gate at the front of school. There is a lot to learn in Year 3 and you can find an example of your child's timetable below. You will also be able to find your child's class timetable on the school's website on the Year 3 Class page from September onwards.

We do PE outside in all weathers, so please make sure that your child is warmly dressed on cold PE days.

Homework Expectations

Each week, your child will receive homework, which include: spelling, grammar, maths, times table and occasionally a topic or English related activity. We also expect your child to read every day at home both with an adult and independently for 15 minutes. Your child has a reading diary which should be used to record the texts that they read and to identify any words they struggled with. Homework will be set on a Friday each week and should be completed by the following Thursday.

Healthy Lifestyles

Cavendish Community Primary School is a healthy school and we promote healthy lifestyles. In KS2, your child can bring a healthy snack to eat during morning break time which should only be fresh fruit or vegetables. Your child should also have a refillable water bottle in school each day and this must only be filled with water. These should also be taken home daily to be cleaned.

Article 29 - Children's education should help them use and develop their talents and abilities. It should also help them to learn to live peacefully, protect the environment and respect other people.

Learning Behaviour and Attitudes

At Cavendish Community Primary School, we use the Good to be Green Rules to support our learning behaviours and attitudes. These can be found below and should be referred to regularly at home to support the children in becoming *Brilliant Citizens*.

- **EQUALITY:** we treat everyone fairly, acknowledge and celebrate our differences and stand up for what is right.
- **KINDNESS:** we are thoughtful towards others, care for our school community and value ourselves.
- **RESPECT:** we show everyone politeness, use our manners and listen carefully.
- **POSITIVITY:** we work hard, encourage others, show effort and persevere when faced with a challenge.

- **RESPONSIBILITY:** we look after our school environment, think about our actions and know we can make a difference.

Curriculum Overview and Trips

We have a brilliant year ahead and we can't wait to get started. You can find below our topic focuses for this year. As the year progresses, we will look to add educational visits and we will communicate these with you closer to the time.

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Stone Age to Iron Age	Volcanoes	Extreme Earth	Ancient Egyptians		Manchester Airport

A curriculum map will also be available on the website in September, so that you can see what we will be covering in each subject across the year.

Article 3 - All adults should do what is best for children. When adults make decisions, they should think about how their decisions will affect children.

Parent and Teacher Communication

If you need to speak to your child's teacher, then please see us at the end of the day or contact us via Class Dojo. If it is urgent, then please speak to someone in the office. If you wish to talk about your child's learning needs, Mrs Hookes is the SENDCo (pictured to the right).

We look forward to seeing you all in September,
The Year 3 Team
