

Skateboarding Club

10/02/2026

Dear parents,

Projekts MCR is delighted to be continuing the skateboarding club at Cavendish Community Primary School in the Summer Term.

The sessions will teach children the basic and fundamental skills needed to skateboard safely, and for any children who can already skateboard we will aim to develop their skills further and teach them more advanced skills and tricks.

The club is for Key Stage Two children, years 3-6 and will be held on Friday lunchtimes at 1-1.45 pm, starting on the the 24th of April 2026 and running until the 17th of July 2026.

We will now be combining the sessions due to a fall in numbers and will have one mixed ability club. Rest assured this is the standard for our clubs and if you have any questions please get in touch.

To sign your child up, please contact Alex Pierce on Info@projektsmcr.com. Please send Alex your child's full name and year group. Payment details will be sent via email.

Cost for this term is £93.50 which is £8.50 per week.

There are 16 places in the club and places are allocated on a first come first served basis.

All equipment will be provided by Projekts MCR. All skateboard coaches are Skateboard Coach Qualified, DBS checked and each session is supervised by a first aider. If you have any questions regarding any of the contents of this letter please contact the school's office or Projekts MCR by emailing Info@projektsmcr.com.

Yours sincerely,

Alex Pierce

Please note that by requesting your child be added to the skateboard club register you are giving permission for them to attend the skateboarding sessions and stating that you understand that they do so at their own risk. You are also stating that you understand the risks involved in the activity and will not hold the owners responsible for any accidents, injuries or loss. Please also note that some sessions may be run indoors in cases of wet weather
