SOUVENIR TEA TOWELS

A time honoured tradition and the perfect Christmas gift for the grandparents!

You remember it from your own school days, and somehow you are now the parent looking at your own child's handiwork! This year, the PSA are selling tea towels featuring self-portraits of the most brilliant kids we know. Whether you use it or frame it, they are the perfect memento of your child's years here at Hursthead Infant School, and make a lovely gift for extended family. Every single child in school is featured, and to avoid filling your home with them, **we only do this once every three years** - so do not miss out on your chance to get one of these super special souvenirs!

We will be taking **preorders only** for these fabulous yet functional works of art, so that they can be sent home in plenty of time for the festive period!
