

Writing

Practice your letter formation using the Read Write Inc rhymes. Make sure you are beginning in the correct place and saying the rhyme as you write the letter.

The letter formation sheets have been sent home and can also be found on our school website.

Free Choice

It's always important to have some freedom in what you do...

If you have been learning about something really exciting in school and want to produce a piece of work about it, then that would be fantastic!

Make sure you share it with your teachers on Class Dojo.

Phonics

Practice reading your phonics book at home.

Can you spot 'special friends'? (sh, ch, th, ng, nk, qu, ck)

Practice reading sounds in your green sound books.

Can they write the letters?

Can they remember the rhyme to match the sound?

At St John's, we learn to read so that we can read to learn!

Spend 10 minutes sharing a story with your child each day.

This could be a favourite book, a school book or a bedtime story. Talk to your child about the pictures in the book, the characters, what might happen next in the story, sounds and words they recognise.

Could they draw a picture of their favourite part?

Maths is all around us!

- Encourage your child to spot numbers in different places; house numbers, when shopping, on signs.
- Count in different ways; clapping, jumping, steps, objects, number songs.
- Baking; measuring ingredients, recognising numbers, comparing weight.
- Talk about the names of the days of the week.
