FREE CHOICE

It's always important to have some freedom in what you do...
If you have been learning about something really exciting in school and want to do some further research or produce a piece of work about it, then that would be fantastic!
Make sure you share it with your teachers and classmates.

Year 2 Homework Menu: Summer 2

You could choose one activity per week from the grid below. Be as creative as you can and show off your uniqueness!

Poetry

READING

At St John's, we learn to read so that we can read to learn!
Spend 20 minutes reading each day and your mind will be forever thankful. This could be independently, with a family member or friend, or even reading to your pet at home! All reading is good reading.
Find a calm and peaceful place, a book you love and transport yourself to another world.
You could take a photo of yourself reading or write a book review once you have finished - your teacher would love to see it!

TIMES TABLES ROCK STARS

Knowing our times tables is very important for success in maths. In Year 2, we focus on the 2-, 5- and 10-times tables. Please log into your Times Table Rockstars (TTRockstars) account to practise. <https://trockstars.com/>

Alongside practising telling the time (o'clock, half past, quarter past and quarter to), we are learning about money, focusing on the value of different coins and notes.

Go on the 'White Rose 1-minute Maths' app to practise your number fluency. Please practise your number bonds to 20 and addition and subtraction facts within 100.
