At St John's, we learn to read so that we can read to learn!

Spend 30 minutes reading each day and your mind will be forever thankful. This could be independently, with a family member or friend, or even reading to your pet at home! All reading is good reading.

Find a calm and peaceful place, a book you love and transport yourself to another world.

Don't forget to access the new spelling games, each child has been issued a username and password. Visit the website below.

Choose one activity per week from the grid below. Be as creative as you can and show off your uniqueness!

SCIENCE

Look at the 4 classification groups below:

Mammal Fish Bird Reptile

Go outside and take photographs (or if this isn't possible, find images online) of animals that would fit into each group. Present your findings in an imaginative way...

GEOGRAPHY

Choose one of the following animals that live in the Arctic Circle:

Beluga Reindeer Arctic Fox Polar Bear

Create a presentation all about them. You could include things such as appearance, diet, habitat, predators, prey, life span etc.

It would be great to see both information and pictures...

GEOGRAPHY

Create a model or piece of art that is your own version of the Arctic Circle

This should show the 8 countries that have parts in the circle, the ocean that sits in there and also demonstrate the climate and tundra.

Be as creative as you can!

PSHE

THE POWER OF KINDNESS

Sometimes things feel a little uncertain and even overwhelming, but one thing is for sure: small acts of kindness make a BIG difference.

Make a poster that could be placed up in school or at home explaining what kindness means to you and at least 3 small acts of kindness you will try to carry out this half-term.

FREE CHOICE

It's always important to have some freedom in what you do...

If you have been learning about something really exciting in school and want to do some further research or produce a piece of work about it, then that would be fantastic!

Make sure you share it with your teachers and class mates.

Handwriting

Choose 5 of your spelling words and write them in a sentence using your neatest cursive handwriting.

Mastering our times tables is essential for future success in maths!
