

GEOGRAPHY KNOWLEDGE ORGANISER

Topic	Year Group	NC Strands
Our Earth	Year 2	Human and Physical Geography Locational Knowledge Place Knowledge Geographical Skills and Fieldwork

- What I should already know...**
- I know and can talk about what a **settlement** is and know I go to school in a **town** called **Penistone**.
 - I know the difference between **human** and **physical features**.
 - I can describe some **human** and **physical features** of **Penistone**.
 - I have seen a **map** of my local area before and used a **key** to understand symbols.
 - I know the **compass** directions **North, East, South and West**.
 - I can identify **human** and **physical features** on a map of my local area.
 - I know that **London** is the **capital city** of **England** and know where it is located in the UK.
 - I can talk about the key **landmarks** in **London** and explain if they are **human** or **physical features**.

KEY VOCABULARY		
Continents; Asia, Africa, North America, South America, Antarctica, Europe, Oceania (or Australia/ Australasia)	Countries Each continent is split into smaller areas of land called countries.	England, Europe
Oceans; A large body of water. Pacific, Atlantic, Indian, Southern, Arctic.	Climate	Equator
North Pole South Pole	Temperature	Biomes; Aquatic, Desert, Forest (or Woodland), Grassland (or Savannah), Rainforest, Tundra
Environment; animals, plants, physical features and climates make the environment.	The UK is surrounded by; The North Sea, The English Channel, The Irish Sea, The Atlantic Ocean	Coast; where the ocean or sea meets land.
Human and Physical features	Sea, cliff, cave, beach, bay	River; A large natural stream of water flowing in a channel to the sea, a lake or another river.
Downstream	Stream, canal, estuary, mouth, source, tributary, riverbed, current, riverbank	Map

CONTINENTS, OCEANS AND BIOMES AROUND THE WORLD

THE 6 MAIN BIOMES

Forest/
Woodland

Grassland/
Savannah

Rainforest

Desert

Tundra

Aquatic

The World's 7 Continents;
Asia, Africa, North America, South America, Antarctica, Europe, Oceania which I know is sometimes called Australia or Australasia.

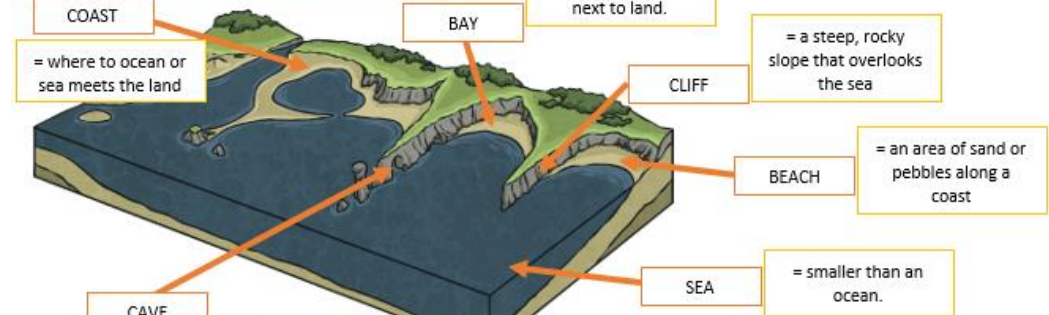

The World's 5 Oceans;
Pacific, Atlantic, Indian, Southern, Arctic.
I know that sometimes on a **world map** it looks like there are two **Pacific Oceans** because the **Earth** is shaped like a **sphere** so they are part of the same ocean.

RIVERS AND OCEANS

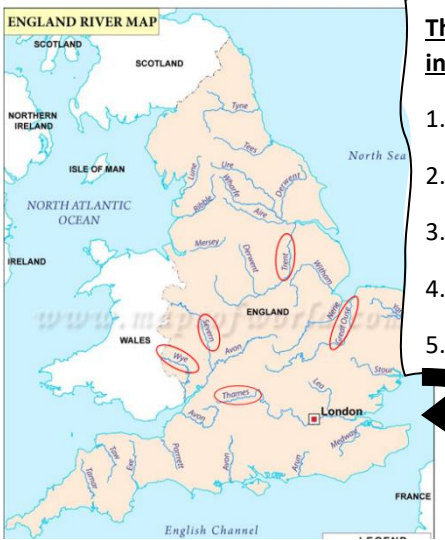

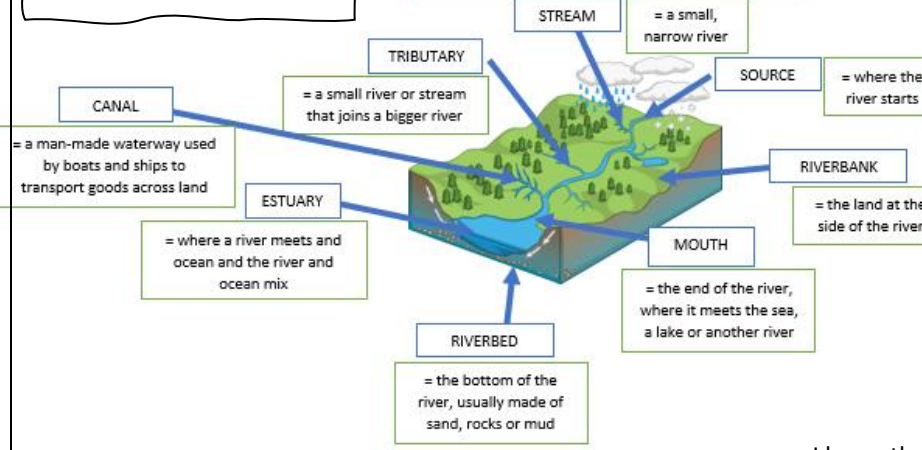

The UK is surrounded by;
The North Sea, The English Channel, The Irish Sea, The Atlantic Ocean.

FEATURES OF A COASTLINE

FEATURES OF A RIVER

The longest rivers in the UK;
1. Severn
2. Thames
3. Trent
4. Great Ouse
5. Wye

I know the longest river through South Yorkshire is the River Don.
