FS2 Homework Menu: Autumn 2 – Terrific Tales

Choose one activity per week from the grid below. Be as creative as you can and show off your uniqueness!

Winter Clothes Draw pictures of clothes you may need to wear to keep you warm in the Winter. Challenge: Can you label them?	**Constructing a House for The Three Little Pigs.** Can you build a house for the three little pigs? What objects have you used? Can you use a variety of different shaped objects? Can you describe the objects?	**Diwali – Festival of Light** Tell your adult something you have learnt about Diwali. What is your favourite Diwali celebration? Challenge: Create a Rangoli pattern.	**Design and Create** Design your own Christmas stocking. Can you create an AB pattern on your stocking? What two colours have you chosen? What is special about your stocking?
Favourite Traditional Tale What is your favourite traditional tale? Can you retell the story? Act out part of the story and get your adult to take a video.	**Healthy Teeth** Draw a picture of the things you do to keep your teeth healthy? Can you label your picture?	**Children in Need** Create your own Pudsey Bear. Be as creative as you can!	**List Writing** Write a Christmas list. What would you like for Christmas?

Name Writing

Practice writing the letters in your name correctly. Can you rainbow write your name? Can you write your second name?

Challenge: Can you create your name in a different way? Be as creative as you can. E.g., using stickers, collecting objects outside to create the letters, using playdough.

Free Choice

It's always important to have some freedom in what you do...

If you have been learning about something really exciting in school and want to produce a piece of work about it, then that would be fantastic!

Make sure you share it with your teachers on Class Dojo.

Phonics

Practice your child's sounds in their sound books.

Can they write the letters?

Can they spot the sound in books?

Can they remember the rhyme to match the sound?

At St John's, we learn to read so that we can read to learn!

Spend 10 minutes sharing a story with your child each day. This could be a favourite book, a school book or a bedtime story. Talk to your child about the pictures in the book, the characters, what might happen next in the story, sounds and words they recognise.

Could they draw a picture of their favourite part?

Maths is all around us!

- Encourage your child to spot numbers in different places - house numbers, when shopping, on signs.
- Count in different ways - clapping, jumping, steps, objects, number songs.
- Baking -measuring ingredients, recognising numbers, comparing weight.
- Talk about the names of the days of the week.
