Year 3/4 Homework Menu - Autumn 2

Topic 'Knowledge Organisers' will now be shared on the Y3/4 class page on the school website.

Choose one activity per week from the grid below. Be as creative as you can and show off your uniqueness!

SCIENCE

Electricity everywhere! Find 5 things in your home that are powered by electricity. Decide which ones use mains electricity…which ones are battery powered…Display in an interesting manner- this could be a PowerPoint, a fact file or a more creative artistic piece.

LOCAL HISTORY

Become a Historian…

Ask your family members for any interesting facts about your family history. Find out how long your family has lived in this area. Were any of your family members involved in the World Wars? What role did they have and does your family have any artefacts or other primary sources of evidence that you could photograph and share on Seesaw.

DESIGN TECHNOLOGY

We are going to be designing and making a light up Christmas lantern in our lessons. Can you design and create a Christmas decoration at home?

Think about ways in which you can make it light up – you may need to ask an adult for a bit of help with this task!

PSHE

A SEASON OF GOODWILL

The festive season is a time of giving. Carry out a charitable task for a family member or someone in your community. Ideas could include: donating an item to a local food bank, carrying out a job for an elderly family member, giving some of your old toys to a children's charity.

FREE CHOICE

It's always important to have some freedom in what you do…

If you have been learning about something really exciting in school and want to do some further research or produce a piece of work about it, then that would be fantastic!

Make sure you share it with your teachers and class mates.

Don't forget to access the new spelling games, each child has been issued a username and password. Visit the website below.

Mastering our times tables is essential for future success in maths!

Log into your TT Rockstars account and practise away to the music… https://ttrockstars.com/

We will take part in regular competitions both in school and against the rest of the country.

Learn and have loads of fun at the same time – ROCK AWAY!

At St John's, we learn to read so that we can read to learn!

Spend 30 minutes reading each day and you mind will be forever thankful. This could be independently, with a family member or friend, or even reading to your pet at home! All reading is good reading.

Find a calm and peaceful place, a book you love and transport yourself to another world.

You could take a photo of yourself reading or write a book review once you have finished – you teacher would love to see it!
