

School Uniform Policy

At Alvanley & Manley Village School we recognise that school uniform plays a valuable role in contributing to the ethos of the school.

Having an identifiable uniform enables all children to feel that they belong to our school family and that they are proud to attend our schools.

It helps all children to feel welcome at the school, encouraging both a positive identity and good behaviour.

Our uniform reflects the high standards we strive for and above all, we believe that school uniform supports effective teaching and learning.

We expect children to dress smartly and attend school in the correct uniform. The expectation is that children must wear items with our school logo on or the same colour / design **without a logo**.
