

Canon Burrows Primary School Nursery Newsletter Summer 2 2026

Welcome back to what will be the final half term in Nursery for most of you! How quickly this year has gone! We will have lots of fun over the next few weeks and make the most of our last half term together.

Our topic this half term is 'How can we look after our bodies?' Our core text will be 'The Very Hungry Caterpillar' and we will use this, along with many other stories, nursery rhymes and non-fiction texts, to explore what it means to be healthy. Sports and Wellbeing Week will give us lots more ideas for how to keep our bodies and minds healthy and is always an enjoyable week.

Please see our Nursery page on the school website for more curriculum information and some useful videos on early reading and number sense. Please also check the school twitter page (@canon_burrows) for regular updates from right across school.

SUMMER 2 - HOW CAN WE LOOK AFTER OUR BODIES?

During this topic, we will develop our understanding of what it means to lead healthy lives. We will think about what we eat and drink, the activities we do for fun, personal hygiene and mental health. We will consider how we are all different and that this is okay. We will use stories, rhymes and non-fiction texts to explore food and drink in a fun way. We will consider where food comes from, why we eat it and what we should eat.

In Literacy, we will finish learning all of the Phase 2 phonemes (letter sounds) and continue to develop our drawing and early writing skills in our weekly drawing club sessions. We will continue learning to write our name, as well as begin to learn how to write the initial sounds of words. We will also continue to practise orally blending sounds together to make words, supporting our early reading development.

In R.E we are going to be learning about different celebrations and how we celebrate them and about why prayer is important to Christians.

Our Maths learning will focus on developing our confidence in comparing amounts using the language of more, less and the same. We will also be continuing to develop our knowledge of patterns to create and continue repeated patterns and develop our ability to subitise amounts to 3.

In PSHE we are going to be focusing on preparing the children for transition and the changes that are coming to help support them with this.

DATES TO REMEMBER:

- 12th June- Nursery Photos
- 21st June – Father's Day
- Week beginning 22nd June – Sports and Wellbeing Week
- 25th June- Sports Day
- Final REAL project home visits dates to be confirmed
- 2nd July – Reception Transition
- 10th July – Green Fair
- 23rd July- School closes
- 24th July Staff Inset

THINGS TO REMEMBER

- Please ensure your child has a (labelled) sunhat for the warmer weather that we hope arrives soon.
- Please apply sun cream before they come to school as we are unable to do this en-masse.
- Please only send your child's water bottle (containing water) and book bag (separately in case of leaks) each day. Please do not send any other bags or backpacks.

Warm wishes, the Nursery team

We are only on the end of the phone or email - if you have any concerns, please get in touch via admin@canonburrows.co.uk and they will send your email to us.
