

## MATHS

- As mathematicians, we will...
- Revisit fractions, decimals and percentages.
  - Revisit the four operations.
  - Explore algebra.
  - Ready ourselves for high school.

## SCIENCE

Our science topic this half term is "Living things and their habitats: changes over time". As scientists, we will...

- Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth.
- Identify how plants and animals have adapted to suit their environment.

# READING and WRITING

As readers, we will...

- Retrieve information about the key events.
- Make inferences about a character's thoughts and feelings.
- Explore vocabulary linked to the text.
- Read a range of texts.

Our core text is...

The boy at the back of the class

As writers, we will...

- Write for a range of purposes and to a range of audience.
- Write an narrative extract based on a scene for Harry Potter.
- Write a battle scene of an Anglo-Saxon/Viking battle scene.
- Refine our writing craft through editing and drafting.

## HISTORY GEOGRAPHY

As historians, we will explore...

- Why did the Romans create the settlement of Mamucium?
- How has Manchester changed over time?
- How has the life of a Mancunian child changed?
- What put Manchester on the global map?
- How has Manchester become so diverse?

As artists we will...

- Work with an artist to design and create a mural for the front office.
- Use a range of media to create the mural.

## COMPUTING

In computing, we will...

- Learning about how to stay safe online.
- Look at digital footprints and the impact of social media.
- Ready ourselves for high school.

## PHYSICAL EDUCATION

In P.E, we will...

- Develop our skills as team players through dodgeball sessions.
- Refine our athletic skills.
- Remember to dress appropriately for the weather on the day of PE sessions.

## RELIGIOUS EDUCATION

In R.E, we will...

- Know about and understand a range of religious and non-religious worldviews.
- Express ideas and insights about the nature, significance and impact of religious and non-religious worldviews.

## MUSIC

As musicians, we will...

- Continue to attend weekly singing assemblies.
- Focus on the tone, pitch and volume of our voices when singing.

## SPANISH

In Spanish, we will...

- Access more unfamiliar language.
- Write a sequence of texts to describe themselves and the things children like.

## P.S.H.E

In P.S.H.E, we will...

- Be focussing on the area of "Changing me".
- We will learning about puberty and reproduction which was outlined on the letter that was sent out.

## Year 6 Holiday Homework Summer 1

### Create a Survival Guide for Year 5s Moving Up to Year 6!

Dear Year 6,

As you come to the end of your time in Year 6, we want you to think back on everything you've learned, experienced, and enjoyed this year.

Your task is to create a **"Year 6 Survival Guide"** for Year 5 pupils. This guide will help them feel prepared, excited, and confident as they move into their final year of primary school.

---

Your Task:

Create a **fun, helpful, and informative survival guide** called:  
**"How to Survive and Shine in Year 6!"**

You can present your guide as a:

- Booklet or leaflet
- Poster
- Comic strip
- Slide presentation

---

Your Survival Guide Should Include:

- **Welcome Message** A friendly introduction to Year 6 and what to expect.
- **Top 5 Tips for Success** These could be about staying organised, being kind, asking for help, managing homework, etc.
- **What's Different in Year 6?** Think about things like SATs, responsibilities, trips, or routines that are different from Year 5.
- **How to Manage SATs (without Stress!)** Reassure them! Share tips for revision, staying calm, and doing their best.
- **Fun Things to Look Forward To** Mention any special activities, events, or traditions that happen in Year 6.
- **Words of Wisdom** Include advice or encouraging quotes from your own experience.
