On **Thursday morning**, while some of our Year 6 students visit their new high schools, the rest of the school will enjoy a **transition morning** spending time in their new September classrooms. NEWS

Thank you for your continued support!

Welcome back to much more bearable temperatures!

Our amazing children coped beautifully with last week's heatwave.

Small adjustments, as well as some sprinkler fun and introducing official World Cup hydration breaks carried us all through the week.

Bikeability lessons went well last week. All of the children who took the course passed. We feel this is an important skill for them to learn especially if they are cycling on our local country roads.

LAST WEEK

Our school choir was delighted to perform alongside **Ashton Sings Choir** once again in a wonderful evening of music. It was a fantastic opportunity, and we feel very fortunate to have shared the stage with such a talented local choir. The children were absolutely fabulous, singing with confidence and enthusiasm. We received many lovely comments from the audience about the quality of their performance, and we couldn't be prouder of them. After working incredibly hard with **Martin Jones**, the choir performed both on their own and alongside Ashton Sings Choir, creating a memorable concert for everyone involved. A huge thank you to Martin Jones, Ashton Sings Choir, and all those who supported this special event.
