FRIENDLY REMINDERS

School Uniform

Just a reminder that we ask for long hair to be tied back and small clips bobbles or headbands. Please save larger hair adornments for the weekend. Thank you

Homework

Homework will be shared on the last day of school, 23rd October. Menues are available to download on the school website through the individual class pages.

Car Park and Paths Safety

As the autumn weather changes, our car park and footpaths are beginning to become slippery with wet leaves and frost. While we aim to maintain our school grounds to the highest standard, please take extra care and stay safe during drop-off and pick-up times.

LAST WEEK

What a busy week!

When Class 1 came into class, a villain had trapped healthy vegetables in jelly! **Class 1** worked hard to rescue them. They were inspired by one of our class books Supertato! **Class 2** had an amazing day trip to the Weaver Hall Museum. The children were taken all the way back to 1666, learning about the Great Fire of London through immersive storytelling and acting. They had a fantastic time bringing history to life! **Class 3** had their first violin lessons. They learnt how to hold the violin, what the notes are and to play a simple piece of music reading the notes.

Scientific Sarah came in to lead our assembly and talk to the children about science this week. Inspired by Sarah, the children in **Class 4** planned and undertook a science investigation of their own, to see how the shape of an object affects the amount of water resistance that acts upon it.
