28TH NOVEMBER 2025

WELCOME

It may have been a short week but that didn't stop our children learning lots and having adventures as we saw Y6 take a trip to the zoo and Y3 attend a friendship celebration. Find out about these exciting trips in this week's edition - alongside a couple of important thank yous and our usual calendar updates and reminders.

FESTIVE FRENZY

As you'll know from all the surveys, slips and forms we are asking you to complete, the festive season is nearly upon us! At this busy time of year, we just want to say thank you for your support and involvement in all our activities - it really does make it a special time for everyone in the school.

Thank you

PENGUINS AND POLAR BEARS

Y6 enjoyed a fantastic trip to Chester Zoo this week. Despite the chilly weather, the sunshine held and each group managed to explore a huge amount of the park. The children also impressed during their evolution workshop, learning everything from how a vulture can digest a car battery to why flamingos are pink. A big thank-you to the parent volunteers who joined us and helped the day run smoothly.

CELEBRATING FRIENDSHIP

On Thursday a group of Y3 children attended a Friendship Festival at BTH school. They took part in a variety of challenges, some physical, some requiring a steady hand, tactics and patience. The children were absolutely brilliant, collaborating, using effective team skills and importantly, they all appeared to thoroughly enjoy themselves! Well done to all those who took part.

REMINDERS

Reception Nativity - Parents of reception will have their tickets ready for next week's nativity. Doors will open 15 mins before each performance - be on time as you're in for a treat! (See weekly calendar for times and dates).

Christmas Fair - It's this Wednesday 3.30 - 5pm! You've dropped off toy donations, made your Jolly Jars and bought raffle tickets - now it's time to have fun. Please look out for further details from the PTA.

Club Start Times - Sorry but we can't let children into school earlier than their club start times. Office staff are not able to supervise the children so a club leader needs to be present.

CHRISTMAS DINNER

It was going so well - we sent out the email, set up the payment but then forgot to send the survey out on Friday! Sorry - this is now live, so if your child is joining us could you take a moment to complete it, this is so we know their choices and any allergies.

Thanks to all of you that have already paid or expressed an interest - it's looking like it will be a lovely lunch!

THANK YOU

Our second 'Thank You' this week is to all our parent volunteers that have recently started coming in to read with the children. It really does make a big difference, improving the children's literacy, confidence and love of learning.

ANNOYED RURAL AREAS?

No it is cross country! Altrincham Athletic Club are hosting a run on Saturday 29th @ John Leigh Park. The first race starts at 10am - no need to sign up just turn up and run. We know a couple of our Y6s are planning on attending so you won't be alone!

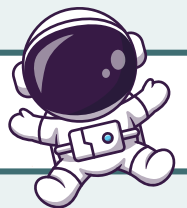

STORMY WEATHER

We have added our Severe Weather Plan to the school website in the Key Information – Policies and Forms tab. Please check it out so you know what will happen if we get a very snowy day.

MUSICIAN OF THE MONTH - ARIANA GRANDE

This week we bopped around to the tune 'Popular' from the musical Wicked – it's a real ear worm! Talking of Wicked, did you know NASA used the tune Defying Gravity as an wake-up call for its astronauts? Back to Ariana, not only did Forbes magazine name her the world's highest paid female musician in 2020, but Time magazine included her on its Top 100 list of the world's most influential people in 2016 & 2019. Beyond music and acting, Grande supports many charities and speaks up for animal rights, mental health, and equal rights for all people. She has a huge following on social media, being one of the most-followed people on Instagram.
