5TH DECEMBER

WELCOME

It is now officially the festive season, as Advent started and Christmas decorations went up across the school.

To celebrate the start of this happy time of year, our Reception classes took to the stage for an amazing performance and we all had fun at the PTA's Christmas Fair. Catch up below on all our latest news together with some really important reminders to help things run smoothly at this busy time.

A WONDERFUL RECEPTION

My goodness the reception children charmed us all with their marvellous performance of Christmas Counts! They looked wonderful, said their lines and sang beautifully and with confidence. Well done to all of the children and staff and a huge thank you to the parents and carers for providing costumes - we hope you enjoyed the performance.

FAIR NOT SQUARE!!

The School buzzed with festive cheer on Wednesday as people queued for the stalls and games. The Bottle Tombola being strangely popular with adults, whilst the craft stalls offered a brilliant selection of handmade items - giving everyone a chance to pick up some unique Christmas presents. Massive thank yous to the PTA and parent volunteers for their tireless organisation, to the staff and volunteers who ran the stalls, anyone who donated prizes and also everyone who attended! The money raised and support given by our PTA makes a real difference to the school experience for all our children. Thanks again and we are already looking forward to next year!

ANY OLD SHIRTS??

If you need to make room in your wardrobes we'd gladly take your old (adult size) shirts - they're ideal to wear in art lessons! Send them in with your child or drop them at reception - thank you!

REMINDERS

Nut Free - to keep safe members of our community that have severe allergies safe we are a nut free school. Please check the ingredients list on any sweets, snacks or lunch items your child may want to bring into school and don't be offended if we have to return items unopened! Please also remember this when sending in birthday treats or snacks for trips.

No Photography - it can be tempting at this time of year when everyone is wearing fabulous costumes and having lots of fun - but can you please not take photos/videos of your child or anyone else's on or around school premises.

Please Park Properly - this week we had a very upset neighbour on Hawarden Road. Their disabled mum was late for her hospital appointment as they were unable to get out of their drive. Please don't park across driveways or on yellow lines when dropping off or picking up your children.

Y2 NATIVITY NEXT WEEK

We've seen the rehearsals and heard the singing - so know Y2 are ready to hit the stage with their fantastic Nativity production on Weds and Thurs of next week. Their adults should have their tickets at the ready as doors open 15 mins before the performance - check the calendar for times.

GET SAFE

Y6 children took part in workshops this week all about keeping themselves safe as they begin to go out and about more on their own. Thank you to the PTA for partially funding this initiative.

SANTA DASH - FRI 12th

The Santa Dash is on Friday 12th December (weather permitting). All classes will take part in a festive fun-run so please can the children bring in Christmas hats/accessories or tinsel and be wearing trainers. The BIG EVENT however is at **8.45am**, when the children's **adults** are all invited to take part in a playground dash - Christmas hats recommended!

CONTACTING YOUR CLASS

With teachers often in class and not always on playground duty it can be tricky to reach them.

If you have a non-urgent query it's often easiest to use the year group email. This is simply Year1@navigationprimary.com (replacing the 1 with your year group). For urgent messages always contact the school office as year group emails may not be checked during the day.

POPPY APPEAL THANKS

The office received a lovely note this week from the Royal British Legion. They wanted us to relay their thanks for your amazing fund raising effort - our poppy sale this year raised £311.98.

FESTIVE WONDERLAND

Step into a world of **festive wonder** this December at The Hideaway Christmas Family Experience in Broadheath, Altrincham. Visit a magical Christmas Hideway created by The Hideaway Partington and Hope Centre. All proceeds from the event support the charity's work with local families and vulnerable people - so every visit helps to bring hope where it's needed most.

NEW MUSICIAN OF THE MONTH - MARIA 'CANARY'

Our new musician of the month is the warbling wonder Mariah Carey! This American singer and songwriter was one of the most successful female performers of the '90s and remained popular into the early 21st century. Born on March 27, 1969 in the suburban outskirts of New York. Carey began taking vocal lessons from her mother, a former opera singer and voice coach, when she was only four years old! After graduating high school in 1987, Carey moved to the New York City, with the hope of launching her music career - we wonder how she did?
