## REMINDERS

### WELCOME

Swimming, running and jumping have all been on the cards this week – what an active bunch we are! We are also very excited as our musician of the month coincided with major diplomatic events and our Gardening Club is looking for your help to build a bug hotel. Talking of your help Ms. Patterson is asking for your support with safer parking around school – please read her note below. All this and our usual reminders and calendar updates to get us all ready for next week

### PARKING DANGER

We kindly ask all parents and carers to help keep our school community safe by parking and driving sensibly around the school. Recently, there have been some incidents of dangerous driving and unsafe parking, which put children and families at risk. Please slow down, follow road rules, avoid blocking driveways or crossings, park only in safe, legal areas not on the zigzag lines. And please do not stop in the road to let children "jump out". By working together and setting a positive example, we can make the school area a safer place for everyone. Thank you for your support and cooperation – Ms. Patterson.

### SUPER SWIMMING!

Congratulations to 3BW who recently took part in their very first school swimming lessons! The children showed fantastic enthusiasm, bravery and positive attitudes. They were amazing – whether they were honing their skills and swimming lap after lap or trying new skills they all followed instructions so well. We are very proud of the way they supported one another and represented Navigation Primary. Well done to everyone involved – what a great achievement and an exciting start to their swimming journey! Parents/carers – don't forget to pack a big snack on a Wednesday as swimming makes everyone ravenous.

**Update your details** – If you have updated your email/phone number or would prefer your partner to be the first person we call in an emergency do let the office know.

**Claim lunch refunds** – Anyone with a credit balance of over £15 will get an email reminding them how to reclaim lunch money for days your child has been ill/absent from school and school has been made aware prior to 9.30am (as this allows us to cancel the lunch order). Watch out for a note – it's really quick to claim and it soon adds up!

**Y3 Trip** – next Tuesday Y3 are visiting Manchester Museum. Remember those packed lunches and get to school on time as you don't want to miss the bus!

### SLEEP LIKE A LOG

Y6 received a visit from the nursing team this week to highlight the importance of healthy, balanced diets, good sleep time routines, keeping healthy minds and embracing our uniqueness. Check out our [Healthy Body Healthy Mind](#) pages for 10 top tips to help you achieve the ten hours a night challenge.

### PERFECT PAARLAUFS

This week, a team of Y5 & Y6 athletes took part in a whirlwind athletics competition which saw them tackle obstacles courses, single, double and six lap paarlaufs alongside a range of field events. Who knew Navi had such skillful 'under, over' athletes who were able to throw themselves through tunnels in what seemed like milliseconds (and who knew what a paarlauf was?)! As usual their passion for the events and team spirit were exceptional – Miss Munro and Miss Dunbavand couldn't have been prouder. Well done Team Navi!

# HELLO January

## SORRY FOR 'BUGGING YOU'

Do you drink lots of milk? If so, our Gardening Club are collecting (clean) 4 litre milk bottles - or similar - to use as seed growing terrariums. They are also wondering, before starting the project, if anyone would have any bamboo for making bug hotels or any lengths of willow for a garden craft idea.

## MUSICIAN (S) OF THE MONTH - KPOP!

How with the zeitgeist are we - as this week saw the South Korean and Japanese Leaders drumming together to their favourite K-pop hits. Although they didn't pick BTS (Bangtan Sonyeondan) we did! This super popular South Korean band has seven members who write their own music about loving yourself, using catchy K-pop tunes, cool dance moves, and bright outfits to spread positivity - even speaking at the United Nations about helping kids feel confident.
