24th APRIL

WELCOME

We've got lots to celebrate this week - from Book Prize winners to spring term's Values awards. We also saw some amazing sporting action, reflected on how we can all protect our planet and sang & danced our way to happiness! Get these updates alongside our usual reminders and notices and a new musician of the month especially for any metal heads out there!

CRICKET FESTIVAL

On Thursday ten Y4 children attended a Diamond Cricket event. Although some were unsure of the rules they were all quick learners, growing in confidence as the day went on. Supporting one another, they communicated well and never gave up, even when faced with challenges.

They also showed respect to the other teams by encouraging them, playing fairly, and celebrating everyone's efforts. They should all be incredibly proud of their efforts and how well they represented Navigation Primary!

EARTH DAY

The children had a wonderful time celebrating Earth Day on Wednesday. They took part in a special assembly where they learned about the importance of Earth Day and how we can all help protect our planet. Many pupils also created thoughtful Earth Day pledges, showing their commitment to making a difference. It was lovely to hear how much they enjoyed their year group book and how they used a range of websites to further develop their understanding. It has truly been an inspiring experience and we are proud of how the children have reflected on the ways we can all contribute to a better world.

THANK YOU NEWTOWN !

We would like to say a big thank you to the Trustees of Newtown Night School Charity for their continued support and £200 grant. This will go towards supporting all children in our school along their education journey.

REMINDERS

Scooter Safety - Remember to dismount when you enter school premises! We've had a couple of accidents on the pathway as you come into school, so please no scooting or biking as you enter school.

Dress Down Friday - it's the time of year when the PTA start gearing up for the Spring Fair. To support this there will be three non-uniform Fridays - starting next week when your child can come into school in their own clothes in return for a bottle in week 1 or suggested £1 donation.

Y6 Robinwood Trip - Final payments for Robinwood need to be made by 30th April via ParentPay. If you are unable to make any payments or have questions regarding the trip please contact the school office before this date.

RAISING THE RAFTERS

Well done to all the children who took part in our choir performance. The children have worked hard on the songs and enjoyed performing to their parents. Singing is good for the mind and body and the lyrics can have an important message. Thank you to the parents that showed their support - we hope you enjoyed it. Choir will start again in the autumn term.

SHH... WE'RE DANCING

Reports are that the 'silent' disco wasn't quite as quiet as expected! Although the music may have been silent the sound of your children's dance moves and laughter filled the hall. Thanks to the PTA and helpers for making it a fun evening and to all our parents/carers for your continued support of the PTA!

MEET MAUDE...

Greater Manchester Police Fraud Team has asked that we share a link to a series of education videos created by their West Yorkshire colleagues. These videos follow the exploits of Maud and Scram as they learn about online safety and that - sadly - not everyone is who they say they are! Informative and fun these videos are an ideal watch to start a conversation and begin your child's online safety education

MAKING MUSIC

For anyone who plays the violin or a brass instrument Trafford Music Service is running two workshops in the Whit Holiday. Running on Mon 1st of June and Tues 2nd respectively they are open to all abilities and will involve individual and group sessions and of course lots of fun. Priced at £15 for the day (8.45 - 3.30) just contact: music.service@trafford.gov.uk to find out more and register.

AND SING YOUR HEARTS OUT

Another great opportunity - this time for anyone in Yr5-6 who enjoys singing. Join the National Youth Choir for (or more) of their fantastic free singing workshops 'SING Greater Manchester' - the first of which will run on Sun 10th May. This looks fab and you can find out all about it here.
