22nd MAY

WELCOME

And another half term is over - goodness that went quickly! Thank you all for all of your support during the last half term, it is always much appreciated.

Summer 2 is a very busy term with sports days, trips, concerts as well as reports and new teachers to meet - so please make sure you check out the events calendar and the weekly updates to ensure you do not miss out on anything.

Wishing you all a lovely half term holiday and here's hoping for sunshine so we can get out and enjoy the fresh air.

KS1 ORACY *

What a lovely time we had during the oracy event! It was so much fun playing games like Odd One Out, Back to Back and Zoom Out. Children showcased their oracy skills using the talk guidelines and the sentence stems to develop their answers. Thank you to all of the grown ups that came in to school and joined in with our games.

PANATHLON

A group of Y1 and Y2 children took part in this exciting and engaging event, modelling perfect Navigation values at the same time as having huge fun competing against other schools. From playing pop corn parachutes to giant skittles, the activities were timed or scored and at the end of the event each child came home with an impressive metal medal and certificate. We were so very proud of their sportsmanship and enthusiasm.

PTA DANCEATHON

EYFS certainly got their groove on during today's danceathon. From old school favourites (to them that's Taylor Swift) to modern day masters their dancing and enthusiasm were amazing. As indeed was the £560 raised for your PTA!!

Keekeep Dancing EYFS...

REMINDERS

Half Term - Just a reminder not to set an alarm on Monday as it's half-term. Have a lovely break and we'll see everyone back in school on Monday 8th June.

Updates Please - If your contact details change drop us a line at admin@navigationprimary.com with your new email/phone number or address.

Creams & Lotions - With the exception of sun cream any hand/body creams required during the school day must be handed in to the class teacher or school office - they need to be treated the same as any other medicine.

Holiday To Dos - When (or if!) you get a spare moment during the break please remember to order school lunches and pop your child's name/class in any new uniform.

FOREST EXPLORING!

Despite the heavy downpour and a few soggy clothes, a bit of rain certainly didn't dampen our spirits during our wonderful school trip to Petty Pool! The children had a fantastic time participating in the 'Animal Homes' and 'Amazing Forest' workshops, where they hunted for wildlife habitats, learned to identify various plants and trees, and discovered what makes our forests grow. It was an incredibly fun day of outdoor learning, and, as ever, a massive thank you goes to our brilliant parent helpers for their invaluable support!

PERENNIAL PARKING PLEA!

The school car park is busy in the mornings with staff cars and delivery vans. PLEASE do not use the car park at this time to drop off children for Kids Collective.

'FETE' ACCOMPLI

Another year, another fair and - despite the weather - it was fantastic. A huge THANK YOU to everyone who joined us on the day, especially all the staff and parent volunteers and your hard working PTA. Expect a full update and news of next term's event after the holidays.

STAGE STAR

A big shout out the talented Miss Emily-Rose who will be performing on stage at the Royal Exchange Theatre in a production of Even These Things. Running until the 15th June this epic story of Manchester and Ireland is one our adults will want to see!

(MINI) MANCHESTER RUN 30th MAY

Calling all fun runners and budding athletes aged 3-15. Francis House Children's Hospice is looking for runners to support them in this year's Mini Manchester Run. Find out how to get involved [here](#)

ORACY *

For anyone (like one of our office team) who may have thought Oracy was a town in France. 'Oracy is the ability to articulate ideas fluently, express oneself clearly and actively listen and respond to others'.

MUSICIAN OF THE MONTH

By the 1990s, Ella Fitzgerald had recorded over 200 songs. In 1991, she gave her very last concert at Carnegie Hall. She performed there 26 times throughout her career. Ella received many awards for her amazing talent. In 1979, she received Kennedy Center Honors and in 1987 she was given the National Medal of Arts. She also received the Presidential Medal of Freedom. France honored her with the Commander of Arts and Letters award. Important schools like Yale University and Dartmouth gave her honorary doctorate degrees. Her version of Summertime could be the soundtrack for this weekend!
