26TH JUNE

WELCOME

We are glad to have reached the end of this very hot week in school but I would just like to say that the children have been absolutely fantastic - yes there have been a few grumbles (and who hasn't) and even a few cross words but overall they have been so sensible - so enjoy the cooler temperatures and the free time over the weekend. Next week's weather looks variable so send them in ready for all weathers.

REMINDERS

School Sports Kit - please can all Navigation PS sports kits and athletics vests be returned - we have a big athletics event on Friday and need all of our kit.

PICTURE PERFECT

Year 6 had their individual photographs taken this week. They will be used to help the children create their own special keepsake when the end of the year arrives. Many thanks to Academy Photography who provide this complementary service to us each year. Proofs will be with parents/carers by 13th June so you can make your online orders

NURSERY - SPORTING STARS

Nursery thoroughly enjoyed their sports day on Monday morning, we completed a variety of activities with our parents/carers such as scoring a goal and transferring water to fill a big bucket. The parents also took part in a very competitive running race at the end which the nursery children loved watching from the shade! Huge thanks to Ellie from Sports & All and to all the parents/carers for your support.

HIGH SCHOOL TRAVEL TIPS

As Y6 prepare to move on in September, some will be catching the bus to school for the first time. Arriva's Student and Child Saver ticket offer unlimited travel before and after school, on weekends, and during school holidays. They also offer a Direct Debit system to spread the cost travel. Visit [here](#) to find out more.

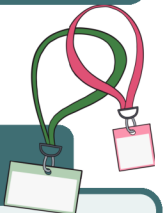

ROBINWOOD INFO

Thank you to those who attended the year 6 Robinwood meeting on Wednesday at school. The slides and information were sent to all parents on Thursday so please check these if you were unable to attend.

HAPPY VISITORS

We have been so proud recently as lots of visitors into school have commented on how engaged, polite and generally lovely our children are! A special mention to Y6 who really impressed the Baroque Group last week and also made the class photographer's day on Tuesday - she said (and we quote) Y6 were 'wonderful' and that they had made her day! You all make our days on a regular basis - so well done all!

WORLD CUP WINNERS?

It's a late start on Saturday - but for those of us that stay up to watch England v Panama enjoy the match!

MUSICIAN OF THE MONTH

The young Brahms was forced to play the piano in dance halls to contribute to the family's income as they were so poor. Brahms was very much an outdoors-y sort. When he wasn't travelling around Europe for concert tours, he was fond of travelling to the hills of Italy for walking holidays and to retreat for solitary composing. When he was 57, Brahms announced that he was finished with composing. However, he was clearly unable to stop his creativity - he produced some incredible late-period works, especially for the clarinet, like his Clarinet Sonatas, Trio and Quintet.
