AAACHOOO!!!!

It's that time of year when coughs and sneezes abound and little ones feel under the weather one minute and on top of the world the next. This NHS guidance "[Is my child too ill for school?](#)" is there to help you understand and decide whether to send your child to school or if it is best for them (and their classmates) to keep them at home for the day.

WELCOME

Lots to celebrate this week as Navigation made the news across Trafford. We also had an amazing sporting performance and have an update on Y6 fundraising success. Alongside this we also have a number of key reminders, useful information to support us through the flu season and free tickets to see Manchester Storm.

GIRLS FOOTBALL LEAGUE

The girls football team made a fantastic start to this year's league on Tuesday evening. A super team effort led us to two wins, with great performances all round! First up was Broomwood, and with 2 goals from Iona, we secured a 2-1 win. To finish the evening, we played against Broadheath and won 2-0, with goals from Iona and Emily. Great determination and enthusiasm from the whole team – well done girls!

LET THERE BE LIGHT!

We are so proud that our school led this amazing initiative with Trafford. Visit [here](#) to read all about the project and how it will support our school and the environment going forward.

MUSICIAN OF THE MONTH

Tracy Chapman is an American singer and songwriter famous for her smooth voice and her hit song "Fast Car". She was born in Cleveland, Ohio, on March 30, 1964. Her mother noticed she loved music and bought her a small ukulele when she was only three years old. She taught herself how to play the guitar when she was in elementary school, partly inspired by watching the 80's US variety TV show Hee Haw.
