9TH OCTOBER

WELCOME

This week's 'art' celebrates festivals running in the UK this month – but don't worry if you can't get to the Falmouth Oyster Festival as you get into the celebratory spirit by supporting Y5's harvest collection. A reminder on how to donate to this, alongside our latest match reports and notes on a colourful Friday are all contained in this week's newsletter.

BOYS FOOTBALL LEAGUE

The boys played wonderfully this week, narrowly losing 0-1 against two great opponents St.Vincents and Bowdon. As the scorelines suggest both games were incredibly close and our boys worked hard and supported each other throughout both games. We know they will build on this experience as they continue to develop their skills and grow as a team.

HAPPY COLOURS

Wow. It was bright today as the children all wore colours that make them happy in support of World Mental Health Day. In addition to dressing happy the children also had time to explore what good mental health is and how to support themselves and their friends should they feel low. We'll all learn more during Children's Mental Health week in February.

FLU SPRAY

The Intrahealth team were so impressed with your children when they came into school last week. Everyone was super brave as they queued up for the vaccination and their good behaviour made the teams' job really easy. If your child wasn't in school, or if you haven't been able to complete the consent form, the team will be back for a catch-up session on Thurs 15th. Email [Intrahealth](#) if you have any questions or are unsure if your consent is still required.

REMINDERS

Healthy Snacks Only – At school we support healthy eating. If your child brings in a snack for break time it must be something healthy and NUT FREE – like a piece of fruit or a breakfast bar. Chocolate and crisps are not appropriate for break times.

Harvest Donations – Y5 are running this year's harvest collection in aid of a local community support hub The Hope Centre. Donations will be collected in school from Mon 12th and can be dropped off at the school office or left with class teachers.

Christmas Colouring – We have already had some AMAZING pictures dropped off for this year's PTA design a Christmas Card (and other items!) drive. Get into the festive spirit super early and remember to return your child's design to school by 16th Oct. Spare templates are kept in the school office should any disasters occur and you need a second attempt....

AUTHORISED COLLECTION

Thanks to everyone who has already completed the authorised collection note sent out via SchoolSpider. It is really important that we know who you have authorised to collect your child from school so if you haven't yet had the chance to get the form back to us can we ask you respond by the end of next week at the latest. if you are unable to access the form or have any questions please get in touch.

48HR SICKNESS RULE

Just a reminder that if your child vomits or has a tummy bug we ask that they are kept at home for 48hrs from the time of the last 'incident'. This helps limit the transmission of bugs and is something everyone in the Navigation community really appreciates your help with – thank you!

GOLDEN BOOK & VALUES

6DH	Lucia Evans	Tiffany Lin
6SM	Olivia Wardle	Avery Chun

MUSICIAN OF THE MONTH

Tracey Chapman went to Tufts University in Massachusetts and read anthropology, which is the study of people and cultures. While in college, she played her guitar and sang in public places like Harvard Square and subway stations to share her songs with people. She also recorded early demo tapes at her college radio station – if you are interested in music think about ways you can get involved at school or across Trafford, as there are lots of opportunities to make some noise!
