16TH OCTOBER

WELCOME

A packed edition this week – we share fantastic news from your PTA and let you join a star studded unveiling ceremony. We also squeeze in all the regular reminders, notices and updates.

THANK YOU

You will have all seen the wonderful update from our PTA, and I just wanted to add my thanks to the committee and everyone who gives their time and support.

Last year, the PTA raised an incredible £14,178! This generosity enriches school life in so many ways, from class trips, author visits and exciting Science Days to new classroom resources, a thriving school garden, books and cosy reading spaces, and so many memorable experiences for our children. All your support makes such a difference to our children's learning, happiness and sense of belonging.

I know that every event attended, donation made, cake baked, raffle prize and hour volunteered represents time and effort given by people who are already juggling busy lives. so thank you again for everything you do. It really is appreciated – *Miss Grant*.

REMINDERS

Metro Closure – You may have to plan a bit more time for your travel to school (and work) next week as the closure of the Metro could see more traffic on the roads.

Half-Term – School closes next Fri 23rd for half-term. See you all back in school on Mon 2nd November.

LOST PROPERTY

We've seen lots more items with names this year so THANK YOU! Despite this, there are still quite a few items in lost-property so we'll be having a clear out on Thursday – when any unnamed/unclaimed items will be donated to the PTA or Charity. If anything hasn't made it home this half-term do have a rummage in the bins in the main playground before they are emptied.

PARENTS' EVENING

It was lovely to welcome our parents/carers into school this week. If you were unable to attend this week please contact your teacher directly. For those with children in 3TG we will be in touch to rearrange your meetings and thank you for your understanding.

A SIGN OF THE TIMES

This week saw the unveiling of our very own tram sign. Designed by children from across the school it celebrates our wonderful community and the children's artistic talents. When asked for comment Ava said "I did the picture in Y1 and I was the only person in my class and my picture said "I Love Trams!"

TO GYMFINITY AND BEYOND!

This week a group of eight KS2 children attended a gymfinity workshop. They were stretched in lots of ways – using gym equipment such as the vault and trampoline as well learning lots of new skills and disciplines. They all had tremendous fun and represented the school with balance and poise – well done all!

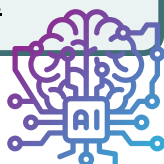

Freddie (Y5) and Ava (Y3) at the unveiling ceremony.

GOLDEN BOOK & VALUES

AI FOR PARENTS

Trafford Libraries are running a number of workshops aimed at helping parents navigate the world of AI. Delivered by local author and digital specialist Claire Walmsley the workshops are completely free. Book your place [here](#).

PTA - GET INVOLVED

To build on last years fantastic achievements your PTA needs your help again this year! Whether you can spare an hour at an event, help with preparations, donate an item or simply share an idea, every contribution counts. You don't need lots of time to make a difference, and there are many ways to get involved.

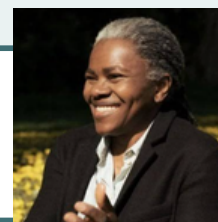

Contact

Thank you for supporting our PTA and helping us give our children the very best school experience.

MUSICIAN OF THE MONTH

In 1989, Tracy released her second album, Crossroads. She continued to release new music, including Matters of the Heart in 1992. Her fourth album, New Beginning, came out in 1995 and was another big success worldwide. It featured the popular song "Give Me One Reason", which won a Grammy Award for Best Rock Song. She released more albums like Telling Stories (2000), Let It Rain (2002), Where You Live (2005), and Our Bright Future (2008). In 2015, she released a Greatest Hits album. In 2023, country singer Luke Combs (another musician of the month!) covered her song "Fast Car".
