

St David Haigh and Aspull CofE Primary School

Admissions Policy Nursery 2026-27

Introduction

This document sets out the admission arrangements of St David Haigh and Aspull CofE Primary School. For the purposes of this policy, the Local Governing Board is the admission authority.

Ethos Statement

In a caring, Christian environment, our **children** will be motivated to develop a love of learning and a curiosity for the world we live in. Our **staff** will deepen understanding, develop aspirations and enrich the lives of all children, knowing that with God's love we can achieve anything. Our **school** will be a place where children experience awe and wonder, grow spiritually and flourish as courageous advocates, within our global community.

Process

1. Applications for admission to the nursery should be made using the application form available from the school office.
2. The school will inform parents of the offer of a place on behalf of the Local Governing Board at least one month prior to the start of term.
3. St David Haigh and Aspull CofE Primary School has an admission number of 30 pupils for entry into Nursery. The school will accordingly admit at most 30 each year, if sufficient applications are received. All applicants will be admitted, if 30 or fewer apply. The school will admit any pupils with an Education, Health and Care Plan naming the school. Priority will then be given to those children who meet the criteria set out below.

Oversubscription Criteria

Looked after/Previously looked after child

1. Children in public care or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order

Children in public care and previously looked after children.

This includes any "looked after child", "previously looked after children" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. 'Looked after' means that the child was (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Siblings

2. Siblings of pupils attending the school during the academic year to which the child would be admitted. 'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister, or other child living in the same household who, in any of these cases, will be living with them at the same address at the date of their entry to the school.

Faith based

3. Regular attendance at public worship in any Christian church.

For the purposes of these admission arrangements 'Christian church' means a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop, or which is a member of Churches Together in England, or affiliated to the Evangelical Alliance or a Partner Church of Affinity. The list of nationally Designated churches can be found at

https://www.churchofengland.org/sites/default/files/2019-04/list_of_designated_churches_3_oct_18.pdf.

Attendance will be established by information provided on the Supplementary Information Form completed by a member of the clergy or other designated church officer. For the purposes of these admission arrangements 'regular' means attendance, by child and parent/carer, at least eight times in the twelve months immediately prior to the date of application.

4. Practising member of any religious faith.

Membership and practice of the faith will be established by information provided on the Supplementary Information Form completed by a designated faith leader of the relevant faith eight times in the twelve months immediately prior to the date of application.

In the event that during the period specified for attendance at worship the church or, in relation to those of other faiths, relevant place of worship, has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church, or in relation to those of other faiths, relevant place of worship, or alternative premises have been available for public worship.

Distance from school

5. Proximity to the school with those living closest to the school having priority calculated by:

Straight line – the distance will be measured in a straight line from the child's home address to the main entrance using the local authority Geographical Information System (GIS) which is based on ordnance survey.

When considering your child's application, we will use the permanent home address we have for you at the closing date for applications.

If parents are separated and the child spends time at each parents' address, the address which will be used for admission to schools is the address where the child sleeps the majority of the school nights (Sunday to Thursday) during the week in term time. Where there is dispute or equal nights are slept, parent will be asked to provide proof of the address registered with the child's GP.

We may ask to see additional forms of evidence of your home address (photocopies are acceptable). This may include:

- proof of where you are registered for council tax
- your television licence
- wage/ salary slip
- proof of your child tax credits

Any evidence you provide must show that the parent or main carer lives at this address. We may seek evidence by other means if the parent/carer is unable to provide sufficient proof of their residence.

Tie-breaker

Proximity to the school. We will measure the distance by a straight line. All straight line distances are calculated electronically using a geographical information system.

In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

In-Year admissions

From time to time a place becomes available further up the school. The allocation of places is in accordance with the admissions criteria. Preference will be given to children moving into the area from outside the Local Authority area who do not have a school place. Evidence will need to be provided that the child has recently moved in.

Admission of children outside their normal age group

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting on their schooling. All such requests will be considered on their merits and either agreed or refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

The process for requesting such an admission is as follows: With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request. Parents will submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc. Some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development; where
- relevant, their medical history and the views of a medical professional; whether
- they have previously been educated out of their normal age group; and whether
- they may naturally have fallen into a lower age group if it were not for being born prematurely.

The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal. Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

Waiting Lists

The school will operate a waiting list for each year group. Where in any year the school receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the admission authority and it will be open to any parent to ask for their child's name to be placed on the waiting list, following an unsuccessful application. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves it.

Appeals Procedure

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact Executive Headteacher at St David Haigh and Aspull CofE Primary School at Copperas Lane, Haigh, Wigan, Lancashire, WN2 1PA within 20 days of the date of the letter refusing your child a place at the school for information on how to appeal. Information on the timetable for the appeals process is on our website at <http://www.saintdavids.wigan.sch.uk>.
