

Year 1 Spelling Shed

Autumn 2

All of these words are our new Chapter 4a tricky words. There are 19 altogether in Chapter 4a. We have put them on Spelling Shed in groups of 5, and then mixed them all up into groups of 10 for the last few weeks before Christmas. We will be assessing how many of the Chapter 2, 3 and 4a tricky words children can spell before the end of the half term.
