

Year 1 Spelling Shed

Spring Term 1

These are all of the TRICKY WORDS learned so far in Reception ([Chapters 2 and 3](#)) and Year 1 ([Chapters 4a](#)). We have mixed them all up and put them into groups of 10 on Spelling Shed to make it a little harder. If your child likes playing the Spelling Shed games, we would encourage them to use the HARD level as this level gives them more letters to choose from when spelling, which makes it more challenging.
