Autumn 1

All of these words are Chapter 2 and Chapter 3 TRICKY WORDS learned in Reception. The children should be able to spell these words already. This is just an opportunity to recap. We will be starting new tricky words after the October holiday.

Year 1 Spelling Shed

Autumn 2

All of these words are our new Chapter 4a tricky words. There are 19 altogether in Chapter 4a. We have put them on Spelling Shed in groups of 5, and then mixed them all up into groups of 10 and then all together for the last few weeks before Christmas. We will be assessing how many of the Chapter 2, 3 and 4a tricky words children can spell before the end of the half term.
