# Top tips

**1. Get your child to pack their own case.**

*It helps them with packing on the return journey, and means they'll know what they packed from home.*

**2. Label everything**

*Everything you're hoping to get back anyway.*

**3. Pack used items**

*Items may get lost. Children will also recognise their own clothes better if they've worn them before.*

**4. Make sure your child can carry their bag.**

*Can use a mini suitcase but remember its only one night and it's not outside so we don't need a lot.*

**5. Don't overfill if you can**

*Apart from underwear and t-shirts, don't pack a new outfit for each day. They will need something spare in case they get wet/messy one day.*

**6. Roll rather than fold when packing**

**7. Get children to practice changing bed linen-***They'll have to make their own bed at the centre.*
