Monday 8th January 2024

Dear Parents/Carers,

Welcome back after the holiday - we hope that you have had a fantastic Christmas break! Throughout this term, your child will be following the theme of 'Inspiring Inventors.'

We will be exploring the historical period of the Industrial Revolution and investigating influential inventors during that era. Please see this term's curriculum overview, found on our class webpage, which details what your child can expect to learn and take part in this term in school. We have carefully planned activities we believe will excite and enthuse your children and engage them in their learning.

Indoor PE will take place on a Monday afternoon and outdoor PE on a Wednesday morning. Please ensure your child has the appropriate kits available in school.

In Year 5, homework will continue to be set on Tuesday which will be English, Maths or theme related. This we will be uploaded onto Google Classroom.

If you have anything interesting you can share with the children related to any of the subjects we are exploring, please let us know.

We look forward to working in partnership with you, in what we hope will be an exciting, busy, and successful term for your child.

Thank you for your ongoing support.

Yours faithfully,

Mrs L. Mowat

Mrs J. Evans

Miss Z. Wildig

'Nobody else is quite like me'
