Curriculum Values

Co-operation and Respect

As respectful and co-operative people we willcreate and follow our class rules, as well as those of the whole school. We will show respect to all the children and adults in the school. During lessons, we will work co-operatively with different members of our class and Year group, whether in pairs or as a group. We will show a willingness to learn from others and give support, praise and suggest ways to improve in a respectful way. We will explore respect further in our PSHE lessons.

Independence

As independent people we will... ...be focusing on developing our concentration this term, using different methods and techniques to aid our own focus. We will think about trying new things and making our own decisions about how to approach unfamiliar situations and deciding upon and managing our own individual targets for different curriculum areas. We will work independently to produce our own work throughout the term, including creating our own presentations in French.

Nobody else is quite like me

Creativity & Curiosity

As creative and curious people, we will... ...show creativity to draw and collage a self-portrait taking inspiration from Picasso and Frida Kahlo. using dramatic techniques. We will develop our curiosity about life in Ancient Greek times, focusing on writing a Greek myth. After being invited to a Greek enrichment day, we will be curious to discover how the Ancient Greeks lived. We shall show our creativity by creating a Greek dance. We will explore what life is like in a desert and whether we would like to live there.
