

# Middleforth Church of England Primary School

## Friday 12th December Newsletter

Dear Parents/ Carers,

It's been another busy week in school. We started off the week by lighting the next candle on our advent wreath. This week's candle represents Peace. We also learnt about John the Baptist and how he prepared the way for Jesus.

We've had four wonderful Nativity performances from EYFS and Year 1 and Year 2. A huge well done to all of the children who took part and a big thanks to the staff for making these happen - it really does feel like Christmas has started! Another thank you to those who gave generous donations at the performances - your kindness will help to improve the outfits, lights and the backdrop for next year's Nativity performances. KS2 did their dress rehearsal in church today - the children in KS1 really enjoyed it. We can't wait to see the real thing next week! Next week sees another busy week in school with Christmas dinner, Christmas parties and hopefully a very special visitor...

We would like to congratulate Miss Killingbeck on securing a post at a new school. We are very grateful for everything she has done since joining Middleforth and wish her all the best in her new job. As some of you already know, Miss Turner will also be leaving us at Christmas as she has secured a permanent post at another school. I'm sure you will join me in congratulating her and wishing her all the best in her new post. Miss Yorke will be replacing Miss Turner and she has already met most of you at parents evening and has been into school to meet the children too. Following vigorous interviewing, Miss Jones will be supporting in Year 1 in the new year in replacement of Miss Killingbeck. I am sure you will all join us in making her feel part of our Middleforth family.

Wishing everyone a lovely weekend! Mrs Pilkington

## In the news this week

### Things to talk about at home ...

- Talk to someone at home about the campaign.
- Can you think of a time someone was kind to you? How did it make you feel?
- Do you believe helping others can make us feel happier too? Why?
- What are some small acts of kindness we can do at home, at school, or in our community?

Please note any interesting thoughts or comments

### Healthy Snacks and Packed Lunches

As a healthy school we ask that only healthy snacks and packed lunches are brought into school. Over the past few weeks, we are seeing a big increase in sugary foods and snacks being brought in and in very large quantities. Please can you talk to your children about only having these in moderation and support school in sending in healthy snacks and lunches.

### Curriculum

This week, Mr Noblet & Mrs Murphy looked across all the subjects in our Curriculum to see the amazing hard work and progress we have made since September.

It was great to see digital evidence in PE, excellent skills across Art/DT and progression in coding in Computing! Also, we were particularly impressed with the variety of work in RE, Geography and History books. Our scrapbooks across PSHE are super and a strength of our school! Well done everyone!

### Foodbank and other services of support

Children and Family Wellbeing service are offering a range of different empowering parenting courses. These courses aim to offer support for issues such as emotional wellbeing, mental health, neurodiversity and understanding relationships.

The courses can also help if your child is currently on a pathway for Autism or ADHD.

## AI Chatbots and companions

A simple search of "AI Chat" within the App store highlights the number of AI apps already available, many are rated as 18+ so it is important to speak to our children about them and the risks associated with them. Examples of AI chatbots that your child may have heard of are Character.AI (18+) and My AI from Snapchat (13+).

### What are the risks?

- Over reliance on AI companions, for example they may replace 'real life' friendships or over reliance on using them for homework or problem solving.
- Exposure to inappropriate content.
- Privacy/data risks.
- Misinformation as not all information shared is correct and can be biased.

### How can I protect my child?

- Check age ratings of any apps or websites that your child accesses.
- Discuss the risks of AI chatbots with them and have open conversations about why they may be using them.
- Set up appropriate parental controls on their devices/broadband.
- Chat to your child regularly and ensure your child knows that they should talk to you or another trusted adult if anything concerns them.

## New Technology

As some children may be receiving new technology or related games at Christmas, here is a quick reminder of the importance of setting up appropriate parental controls.

### Games/Consoles

- Check age ratings: look at the PEGI rating of any new games. *Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check to see if it has any communication elements.* - If a game does allow your child to communicate with others, then adjust or disable the settings as appropriate to your child. - On the device itself, set up applicable controls such as restricting spending limits. Follow the links below to find out how to set up Parental Controls for popular devices here: **Xbox:** <https://www.xbox.com/en-GB/family-hub> **PS5:** <https://www.playstation.com/en-gb/support/account/ps5-parental-controls-spending-limits/> **Nintendo Switch:** <https://www.nintendo.com/en-gb/Hardware/Nintendo-Switch-Parental-Controls/Nintendo-Switch-2-Nintendo-Switch-Parental-Controls-2873385.html>

### Tablets/Smart phones

Set up parental controls on the device to prevent purchases, restrict content viewed and adjust privacy settings. Furthermore, remember to check any apps your child requests to check that they are suitable for their age. Follow the links below to find out more:

**iPhones/iPad:** <https://support.apple.com/en-gb/105121>

**Android Device:** <https://support.google.com/googleplay/answer/1075738>

### Further information

<https://www.internetmatters.org/parental-controls/>

## The Safety-First Smartphone

The Other phone is a new smartphone, which includes "SafetyMode" software. The software automatically blocks nudity, profanity, and bullying language in real time. You can find out more here: <https://otherphone.co.uk/>

Smart Phone Free Childhood also list some alternatives that you could consider here: <https://www.smartphonefreechildhood.org/alternatives>

*Please note, that the inclusion of these models does not constitute an endorsement or recommendation. While these devices may provide a 'safer' alternative to traditional smartphones, there are still potential risks associated with children using any type of phone.*

# Roblox

Following a recent ITV investigation\*, which found extremist content on Roblox, we thought we would provide a reminder of what you need to be aware of. Roblox is a platform consisting of a collection of games. Players can either create games or play games that other users have created. It is free to download (however subscription options and in game/app purchases are available) and can be played across numerous devices. **A lot of the content is user generated, which means not all games will be suitable for your child to view/play.** If your child is playing Roblox, it is important to monitor what your child is accessing and set up appropriate parental controls. **PEGI rate Roblox with a Parental Guidance label, this is because it is considered a platform with a huge level of user generated content.**

## What should I be aware of?

**Game content** – as mentioned, users create games so the content/themes may not be appropriate for your child. Roblox label content based on the type of content rather than by age. The labels are Minimal, Mild, Moderate and Restricted.

**Chat Facility** - Players can chat with each other (users under the age of 13 need parent permission to access certain chat features though). You can turn communication off completely or add restrictions, such as only able to communicate with friends.

**Virtual Currency** - Players can buy Robux (their virtual currency) to buy in-game upgrades or accessories.

## How do I report abuse and block users?

This article outlines the different reporting facilities:

<https://en.help.roblox.com/hc/en-us/articles/203312410-How-to-Report-Rule-Violations>

## What else can I do?

Chat to your child regularly about what they are doing online and remind your child that if anything is worrying them, then they should talk to you or another trusted adult.

# Signal Private Messenger

Signal is rated as 13+ on the App store. It is a messaging app, where users can text, send voice messages and photos plus participate in group chats and calls. There are no parental controls currently available. As with all messaging apps, the risks can include bullying and viewing inappropriate content. Find out more here: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/social-media/chat-apps/>

Users of this guide do so at their own discretion. No liability is entered into. Current as of the date released 01.12.25. The inclusion of any links does not imply any affiliation with or

# Discord

Discord is a social networking app originally designed for gamers but is now used by lots of different people to **chat to each other online**. The minimum age to access Discord is 13. The App store rates it as 17+.

Discord is made up of servers, which are spaces for groups to chat, upload files and share images etc. Anybody can set up a server, and they can either be public or private. Users can video call and send direct messages to other individuals or groups. Children who play online games such as Fortnite may use Discord to chat whilst playing the game (**rather than using the game's own chat facility**). In-app purchases are available through Discord's subscription service called Nitro.

## How can I make it safer?

Discord have created a Family Centre, which provides further information about what Discord is, as well as information about different safety settings available:

<https://discord.com/safety-family-center>

As always, we would encourage you to chat to your child to see why they use Discord and ensure that they know how to block users and what to do if they see any inappropriate content. It is important to be aware that Discord does include video/voice calling which cannot be filtered. **Discord is used by an array of users and therefore adult content can be found on Discord as well as inappropriate language.** Discord have produced this article, which answers frequent questions:

## SEND IAS

Information, advice and support  
for Special Educational Needs and Disability

### Who are we and what do we do?

SENDIAS is a statutory service and operates confidentially from the Local Authority to provide impartial and unbiased support to children and families across Lancashire.

#### Family Support

The service offers free information, advice, and support regarding SEND across the spectrum of education, health and social care, for example: EHCP processes, paperwork, communications with schools, and tribunal's.

#### Empowering families

The SENDIAS goal is to empower families to make informed decisions and have their voices heard throughout the SEND journey.

#### Service changes:

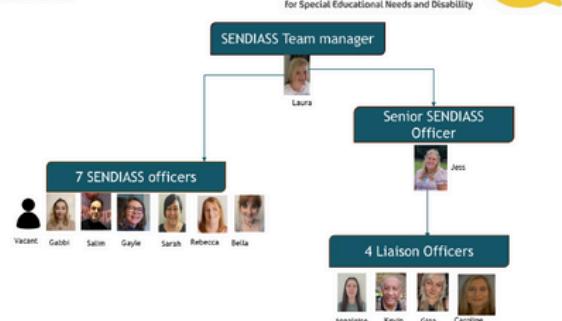

The team has recently expanded and we are currently reviewing the service offer following service user feedback to make it more flexible, accessible and empowering for families across Lancashire. These changes allow us to reach more families and offer consistent, high-quality accessible information advice and support across county.

Our Website with further details can be found here:

[SENDIAS Home - Lancashire SEND IAS](#)

#### Team structure:

#### How SENDIAS can support Families:

- Practical Guidance will be available at one stop shops in family hubs.
- SENDIAS can provide advice on preparing meetings, understanding reports, and managing appeals effectively.

Contact can be made by families by phone, referral form or email to our helpline— [referrals from professionals MUST come through our contact form](https://my.apps.lancashire.gov.uk/w/webpage/request?form=send_information_advice_and_support_contact_form): [https://my.apps.lancashire.gov.uk/w/webpage/request?form=send\\_information\\_advice\\_and\\_support\\_contact\\_form](https://my.apps.lancashire.gov.uk/w/webpage/request?form=send_information_advice_and_support_contact_form)

**Community and Peer Networks** Peer support groups and local networks help families share experiences and find reassurance.

#### Guidance Through EHCNA request

SENDIAS provides crucial guidance to parents during EHCP applications, helping to resolve school placement disputes successfully through groups and drop in's or in the future using digital options.
