Middleforth Church of England Primary School

Friday 23rd October Newsletter

Dear Parents/ Carers,

Welcome back to everyone after the half-term break. We hope you all had a wonderful week spending time with family and friends and have returned refreshed and ready for another busy half term. For those families who are planning to attend a bonfire or firework event this weekend, we hope you have a fantastic time. Please remember to follow all safety guidance, stay warm, take extra care around fireworks and bonfires, and help keep everyone safe whilst enjoying the celebrations.

It has been a fantastic first week back in school. Year 1 and Year 5 have both enjoyed their first Forest School sessions of the half term and have made a brilliant start. The children have embraced the outdoor learning opportunities with enthusiasm, and we are excited to see what they will achieve over the coming weeks. At this time of year, sessions are slightly shorter due to the colder weather and earlier sunsets, but the children will enjoy additional sessions during the summer term as they continue exploring the natural world and observing seasonal changes.

Year 6 stepped back in time this week as part of their World War II topic. The children took on the role of evacuees and experienced what life may have been like during wartime Britain. On Thursday, they also made tea loaf using wartime ration ingredients, helping to bring their learning to life. It was a fantastic day filled with creativity, curiosity and historical understanding. Meanwhile, Nursery have been celebrating Diwali, the Festival of Lights, learning about Hindu traditions and creating their own colourful lanterns. Year 4 have also begun their exciting new topic on Rumaysa and are already eager to learn more about her inspiring story.

As we look ahead to the remainder of the half term, there are lots of exciting events and opportunities planned across school. Please keep an eye on the dates section at the end of the newsletter and stay up to date with information shared through ClassDojo. Parents' Evening takes place next week and, if you have not yet booked an appointment, please do so as soon as possible. There will be Maths and English books available for you to look through while you wait for your appointment, and our Book Fair will also be in school, offering a wonderful opportunity to purchase books and encourage a love of reading at home.

As always, thank you for your continued support. We value the strong partnership between home and school and appreciate everything you do to help your children thrive. If you ever have any questions or concerns, please speak with your child's class teacher, contact them through ClassDojo, or arrange an appointment via the school office. Mrs Knight is also always available to provide support whenever needed.

We wish you all a lovely weekend and look forward to another successful week ahead.

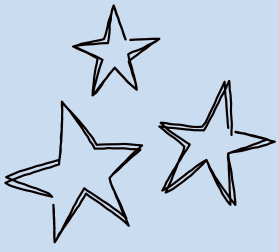

Mrs Pilkington

Thursday 12th November - 9:30, 10:45, 1:15 and 3:30

Wednesday 13th January - 9:30, 10:45 and 1:15

Please ring the office to book your spot.

We just wanted to share a few important reminders regarding morning drop-off and afternoon collection. Unfortunately, over the past few days, we have witnessed several near misses on the road outside school, so we would really appreciate everyone's support in helping us to keep all of our children and families safe.
Please can we ask that:

- Cars are only parked in designated parking areas and all road markings are followed.
- Children use the School Crossing Patrol (lollipop person) at the end of the road wherever possible to help them cross safely.
- Children are not dropped off on the main road or allowed to run across the road unaccompanied.
- Parents and carers do not use the staff car park. This is for staff and those requiring disabled parking/access.

We completely understand that drop-off and collection times can be very busy, but children's safety must come first. Please help us by parking and crossing safely and by taking a little extra care around the school. Thank you, as always, for your understanding and support.

School Uniform

We expect all children to wear the correct school uniform each day. A smart appearance helps children feel confident and ready to learn, and it reflects our high standards across school life.

Where to Buy

Our uniform can be purchased from:

- Justs Clothing (Penwortham): www.justsclothing.co.uk

Spotify Parental Controls

Spotify is a music streaming service. You must be aged over 13 to access it. If under 18, parent/guardian consent is required. However, under-13s can access Spotify through a **managed account** set up by a parent or legal guardian.

Since July 2026, Spotify has provided parental controls for managed accounts on both free and premium plans. These controls:

- turn messaging off.
- turn explicit content off.
- turn videos and canvas off.
- allow you to block specific artists or tracks.

Online Grooming

What is Online Grooming?

Online Grooming is when anadult builds a relationship online with a childto manipulate, exploit, or abuse them.

How does Grooming take place?

Groomers often use fake profilesto pretend they are someone they are not, for example they may claim to be younger than they really are or pretend to be a person of influence. They will use flattery and attention to build trust and friendship. They may use online games or social media to initiate contact but then encourage your child to switch to a different app to chat with privately - usually on an app that offers limited or no parental controls and/or e

What can I do?

- Use appropriate parental controls.
- Set privacy settings.
- Show them how to use any blocking or reporting tools.
- Chat to your child regularly about what they do online and who they communicate with. Remind them that people online may not always be who they say they are.

What are the signs that my child is being groomed?

- Being **secretive**about who they aretalking to.
- They become **withdrawn** from family and friends.
- Appearing **anxious or upset** after receiving messages.
- Receiving unexpected **gifts**.

Find out more here: https://learning.nspcc.org.uk/safeguarding-child-protection/offender-gaining-trust

What should I do if my child is being groomed?

- If you thinkyour child is inimmediate danger, contact the police.
- Stay calm and reassure your child that they are not to blame.
- If you are worried about online abuse or the way somebody has been communicating with your child online, report it to CEOP: (https://www.ceop.police.uk).

COM Networks

COM Networks are online communities where harmful and deeply disturbing behaviour occurs, including child sexual abuse, cybercrime and extremism. These networks operate on mainstream messaging apps, gaming platforms and through social media. **It is important to be aware that such networks exist and understand the risks they can pose to children.** Introductions to COM Networks can begin with harmless conversations on a game or social media platform, but then as trust builds, groups will gradually introduce harmful content, extreme challenges and pressure to prove loyalty. Some groups use threats, humiliation or the threat of exposing private information to control members. Images, messages or personal details may be used to blackmail victims.

Whatshould I lookoutfor?

- **Increased secrecy**
- **Emotional or behavioural changes**
- **Unfamiliar language:** using new expressions or discussing extreme content, opinions or beliefs.
- **Unexpected gifts**

Sky News investigation into COM Networks (and links on popular sites such asRobloxand Discord)

You may have seen Sky News' investigation into COM networks. The report highlights findings from a six-month investigation that found self-harm-themed avatars, clothing and related content available on the gaming platform Roblox, including items that could be **accessed by children as young as five years old**. The report can be viewed here, **please be aware that it contains upsetting content**:

How can I protectmychild?

- Have regular and open conversations with your child. Ask your child what they do online and who they communicate with.
- Reassure them that they can always ask for help, even if they have shared something personal or broken a family rule.
- It is important to remember that threatening to confiscate their devices may make them less likely to talk to you when something goes wrong.
- Regularly review privacy settings and set up appropriate parental controls on all devices your child is using.
- Ensure your child understands the risks of sharing personal information or intimate images online.

WhatsApp Channels andParentalControls

Users must be at least 13 years old to use WhatsApp. Children under 13 can access WhatsApp through **a parent-managed account.**

WhatsApp Channels

WhatsApp Channels are a one-way broadcast tool to send updates to followers. Channels can be found in the Updates tab. From here you can view a whole host of channels, including channels that will **not be age appropriate and may include adult content.** If your child has their own WhatsApp channel, then you need to be aware that they are **public. Anyone can view and follow a channel and anything you share on your channel is public.** We would recommend that parental controls are used to prevent children creating and accessing WhatsApp channels.

Parent Managed accounts

Parent managed accounts are required for those under 13. These accounts have additional safety restrictions and do not allow access to features such as Channels, Meta AI and location sharing. You also have control over which groups they can join.

Parental Controls for Teenagers

For users aged 13 to 17, WhatsApp offers parental control settings tolimit access to certain features such as Channels.
