Space	1. Under the Ocean 2. Commotion in the Ocean 3. Ocean Animals 4. Protecting the Oceans 5. Summer 6. Looking back 7. Looking forward
The Big Questions	What makes me special? Who takes care of me?	How does my family celebrate? How do other people celebrate?	What makes me feel happy and safe? What do I want to learn about? How am I a good friend?	Where does our food come from? How do some animals live in the cold?	How do plants grow? What lives under the ground? What happened to all the dinosaurs?	Are sharks dangerous? Do all jellyfish sting? How long does plastic take to break up and disappear? How have I changed since September?

Encourage one another and build each other up

1 Thessalonians 5:11
