*Creative play ideas and simple learning activities you can do at home.*
- **Oxford Owl (Free eBooks & Activities)**  
<https://www.oxfordowl.co.uk/for-home>  
*Free ebooks and activities to support early reading.*

Please read with your child **AT LEAST 3** times weekly.  
Please include questions to improve their comprehension – use the weekly reading focus to support you in asking children relevant questions and helping you to write constructive comments.

Encourage your child to ask when they come across unfamiliar vocab and get them to practise reading and saying it out loud – on its own and in the sentence.

Don't underestimate the power of reading to your child.
