Let's sing let's sing
because is Harvest time
lift up your voice and celebrate.
For what the Harvest brings
is a thousand different things
so let's celebrate and sing.

Let's dance, let's dance
because it's harvest time
we all can dance and celebrate.
For all the food that grows
we all want to give our thanks
so let's celebrate and dance.

Let's smile, let's smile
because it's harvest time
a happy smile to celebrate.
The hard work and the toil
now we know was all worthwhile
so let's celebrate and smile.

Let's sing, let's sing
because is Harvest time
lift up your voice and celebrate
For what the Harvest brings
is a thousand different things
so let's celebrate and sing.
