

Chairperson's report 2024-25

What went well:

- Summer BBQ (Family Fest)
- Fashion Show
- Christmas Fair
- Discos
- Movie Nights
- The Raffle ticket sales and Raffle prizes – the number of local businesses willing to give was fantastic support! One grand raffle seemed to be more productive than several raffles throughout the year.
- Communication via Year group Reps (1 Parent per year whatsapp)

What could have been better:

- More forward planning and attendance at meetings
- 150 club
- Christmas Fair / Family fest / fashion show- lots of work, help tidying up would be appreciated.
- Family fest and the Christmas fair required a lot of time – help planning would be appreciated.

Overall, we had great help from parents/carers at each event. It would be fantastic for this support to continue, as we had a great team for the Summer BBQ.
