

## Y1 Spring Term Takeaway Homework

Choose one task and bring your work into school for sharing on Wednesday 11th February

Choose a different task and bring your work into school for sharing on Wednesday 1<sup>st</sup> April.

<p><b>Science -</b> Senses Day</p> <p>Can you create a <b>diary</b> of what you experience with your senses in a day. Take lots of photos to present what you did.</p> 	<p><b>History -</b></p> <p>Create a fact file This can be about Mary Anning or the Jurassic Coast. What key information should you include? Can you draw pictures to go with this?</p> 	<p><b>D&amp;T/Science -</b></p> <p>Create a new animal! We are going to be learning about what different animals need to survive, and key characteristics to identify and compare them.</p> <p>Can you create a new animal? What will it eat? Where would it live? You can create a poster, or create the actual 3D animal out of craft materials!</p>
<p><b>Geography -</b></p> <p>The EQUATOR</p> <p>Can you find out about a country on the equator? You can create a fact file, or a model of that country. How does being on the equator change the way those in the country live?</p>	<p><b>Art/History -</b></p> <p>Create a junk model of a dinosaur based on your favourite fossil. What do you think it would have looked like? Would it have scales, feathers or fur?</p> 	<p><b>Reading</b></p> <p>Create a book review for a favourite book of yours. This can be in any form you would like - a poster, a written report or maybe a video review!</p> <p>Go to the library and find a book about fossils. Can you tell the class all about it?</p>
