

Spring 1 Takeaway Homework

Please choose one task from the Takeaway Homework menu below.

<u>DT:</u> Make a model of a Dragon.	<u>STEM:</u> Build a dragon egg protector. Build something to protect a dragon egg. Materials could use are paper, cardboard, cotton wool or bubble wrap.	<u>Geography:</u> Draw a picture story about a character that travels round the UK. It must include one country and one capital city.
<u>Geography:</u> Create your own treasure map. Design a treasure map inspired by the UK. Include coasts, hills, valleys, forests and seas. Add a compass and hide the treasure near a physical feature.	<u>Art:</u> Create a castle for a dragon to protect. This can either be drawn or built using a range of materials that would be most suitable for the different elements of a castle.	<u>Science:</u> Create a fact file/poster about a Dragon. Where do they live? What do they look like?
