

Autumn 1 Takeaway Homework

Please choose one task from the Takeaway Homework menu below. Please bring your completed homework into school on Wednesday 21st September 2026.

<u>History:</u> Create an Ancient Egyptian achievements poster. Choose at least 4 achievements to research and explain, such as buildings, writing, inventions, farming or other developments. Add drawings, labels and a short explanation of why each achievement was important.	<u>Science:</u> Create a rock and fossil fact file. Choose 3 different rocks and compare them. Include: • What each rock looks and feels like • Simple physical properties, such as colour, texture or hardness • How fossils are formed when things that have lived become trapped within rock • How soil is made from rocks and organic matter	<u>Geography:</u> The River Nile and the Water Cycle Create a labelled map and water-cycle diagram. Include: • The journey of the River Nile • Where the Nile begins and where it flows • Mountains, hills and other landforms around the river
<u>Art:</u> Hokusai – The Great Wave off Kanagawa Create your own wave painting inspired by Hokusai. Try to: • Work at a different scale • Mix secondary colours from primary colours • Mix tints by adding white • Block in colours before adding details	<u>Creative challenge- History/Geography/Art:</u> Imagine you are travelling along the River Nile in Ancient Egypt. Create a travel diary, comic strip or 3D scene showing your journey. Include: • At least 3 places or landforms • Something the Nile was used for • An Ancient Egyptian achievement you notice • What you can see, hear and feel • Your own artwork using colour and texture	<u>Science/Art:</u> Fossil Discovery Museum Create your own mini fossil museum on a sheet of paper, in a box, or as a model. Include: • 3 different fossils or fossil drawings • What living thing each fossil came from • A simple explanation of how fossils form • Draw and label the layers of rock • Add colour, texture and interesting museum labels
