Instructions: From the menu below, choose one activity to complete over the half-term.

- **Mild** (Core understanding)
- **Spicy** (Creative/Research)
- **Extra Hot** (Action-oriented/Extended project)

We expect **high quality work** which shows **research, thought** and **care with presentation**. Bring your work back to school to share with the class and the rest of the school by **Wednesday 16th December**

Takeaway Homework Menu

Theme	Mild	Spicy	Extra Hot
Anglo-Saxons	Create a fact file explaining who the Anglo-Saxons were, where they came from and when they settled in Britain	Create a shield for an Anglo-Saxon warrior and explain the symbols, colours and patterns you have chosen.	Create a model of a village using recycled materials. Label the buildings and explain how the settlement would function.
Lost Happy Endings	Draw and label a setting from the story. Add adjectives and expanded noun phrases to describe it.	Invent a character who could help Jub on her journey. Draw them and write a detailed description of their appearance, personality and magical powers.	The Happy Endings Museum: Create a collection of five objects that represent different fairy tales. Write museum labels explaining which story each object belongs to and what its happy ending might be.
Northern Europe	Country comparison: Choose two Northern European countries and compare their location, landscape, climate and population.	Choose a famous geographical feature, such as a Norwegian fjord or an Icelandic glacier. Explain how it formed and how it has changed over time.	Build a Northern European landscape: Create a 3D model featuring some prominent geographical features such as mountains/lakes/rivers etc. Label each feature and explain how they are formed.
