Maths ARE at age related expectation	73.06%	(12/18) **67%**
Maths at Greater Depth		(3/18) **17%**
Combined		(11/18) **62%**

-Writing data lower than predication at start of year due to child leaving at Christmas for private school
-Maths data lower than predicted due to 1 child not meeting ARE but had a standardised score of 97. % of children within cohort were borderline ARE. 4/5 children did achieve ARE in SATs
- Phonics data lower than prediction at start of year due to fidelity to scheme
