

Spotlight on Year 3

Year 3 have had a fantastic start to the year and an excellent first half term!

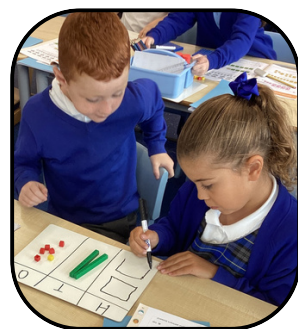

In Maths, we've been busy developing our understanding of place value, as well as addition and subtraction of 3-digit numbers. The children have worked incredibly hard and enjoyed using a range of practical resources to support their learning.

In Art, we've been exploring the fascinating world of cave art. The children particularly enjoyed creating their own cave-inspired artwork on the playground and even making their own paintbrushes using natural materials! These unique tools were then used to produce some brilliant pieces of art.

We're very proud of how well the children have settled into Year 3 and are looking forward to another fun-filled and exciting half term ahead.

Staying Safe During Halloween

Be careful what you wear when you're out to scare

Some fancy dress costumes are highly flammable so they can ignite almost instantly and burn fast.

Try to buy from a reputable store or website. Cheap costumes may not meet UK safety standards.

Look for a costume with a UKCA or CE mark

Look for a label that says: "This garment has undergone additional safety testing for flammability"

Remind children to stay well away from naked flames and other heat sources

The Beacon Project

Congratulations to twelve Our Lady & St Edward's pupils who successfully passed out of Merseyside Fire and Rescue Beacon Project today. The children have spent the last six weeks learning about practical fire service activities, team building, communication skills, safety awareness, first aid, road and water safety. The course encourages self discipline, leadership and teamwork, all of which are skills for life.
