

Spotlight on Year 4

Year 4 have settled brilliantly into the new school year, showing great enthusiasm and creativity in everything they do. They have enjoyed taking part in a variety of exciting and imaginative activities, from art to hands-on projects. In maths, the class has worked hard to master column addition and subtraction, showing growing confidence with their calculations. One of the highlights of the term has been their writing, where they have produced fantastic stories and newspaper reports about the dramatic eruption of Mount Vesuvius – bringing history to life through their words!

**Whole School Attendance
20th to 23rd October 2025**

Better Start in Life

Does your child access wrap around care or our nursery provision? If so you may be entitled to help towards your childcare costs. Eligibility can be checked using the following link:

www.beststartinlife.gov.uk

If you are entitled to 30 hours funding please contact the school office to discuss your child's session.

New parents to Tax Free Childcare please contact the school office to discuss your first and future payments.

Polite Reminder:

Can we please remind parents and carers that the outdoor equipment within the school grounds is only for use under staff supervision. The equipment should not be used before or after school.
Thank you for helping keep our children safe on school grounds.
