

Spotlight on Year 6

Year 6 have had a great start to their final year! In our DT lessons, the children have been diligently designing textile bags for various purposes. This has not only allowed them to explore their creativity but also to practise their stitching techniques. It has been wonderful to see their enthusiasm. In English, we have recently embarked on reading "Goodnight Mr Tom." The students have shown great enthusiasm for the story, and discussions around the themes and characters have sparked some insightful conversations.

We have also looked at how to stay safe during an air raid and the children have enjoyed exploring Anderson Shelters and writing to inform a reader. In Maths, we have been focusing on fractions, working hard to grasp this important concept. The children have demonstrated remarkable perseverance and have made significant progress. During our RE lessons, we have been reflecting on the promises we make to our communities and how we can be Stewards of the Earth. It's heartening to see the students think deeply about their responsibilities and how they can contribute positively to the world around them. They have taken the responsibility of being the top of the school very seriously and we can't wait to see what the rest of the year has in store!

**Whole School Attendance
10th to 14th October 2025**

97% 

What's on Next Week:

Tuesday 25th November
