

Spotlight on F1

Our 3-year-olds have had a wonderfully busy term exploring the themes of Night and Day and our new season, Winter. The children have enjoyed discovering the differences between daytime and night time, learning about animals that come out after dark, and proudly using their new word: nocturnal! As part of our Night and Day topic, we have also been experimenting with light and shadows. The children have loved investigating how shadows are made, using torches, objects, and even their own bodies to explore how light can change what we see.

We have also been diving into all things winter – exploring clothing that keeps us warm, learning about animals that live in icy places, and enjoying plenty of ice play, which has been a huge favourite in our room.

Another highlight has been preparing for our school play. Our little movie stars have been practising their parts with great excitement. Don't miss our special production on Friday 12th December!

Our 2-year-olds have been busy learning all about "My Body." We have been naming body parts and facial features, and singing songs like "If You're Happy and You Know It" and "Head, Shoulders, Knees and Toes." As part of this learning, we have also been talking about who helps us feel better when we are unwell. The children especially enjoyed exploring the dressing-up clothes, taking on the roles of doctors and nurses, and helping our babies to "feel better" during play.

We are all feeling very excited for Christmas, and the children will soon be starting their festive arts and crafts. Please remember our Stay and Play session on Monday 15th December, where you are invited to join your children for some Christmas craft fun. We look forward to seeing you there!

What's on Next Week:

Monday 08 December

KS1 Christmas Performance - Dress Rehearsal

Tuesday 09 December

Year 3 and 4 Class Mass

9.30am in Church - Parents welcome

KS1 (Y1 & Y2) Christmas Performance 2pm
