

Spotlight on Year 3

Over the last few weeks, Year 3 have been thoroughly enjoying reading Flat Stanley: The Great Egyptian Grave Robbery. To support our descriptive writing, we transformed our classrooms into bustling Egyptian bazaars! The children loved immersing themselves in the experience, using all five senses to describe what they could see, smell, taste, hear and feel when visiting a bazaar. This exciting activity inspired some truly excellent sentences.

We have also been working hard in maths this term, focusing on multiplication and division. By using manipulatives, the children have been developing a deep and confident understanding of these key skills.

Excellent work, Year 3!
