Spotlight on Year 2

This half term in English, Year 2 have been reading the story 'The Marvellous Moon Map' by Teresa Heapy. The children have enjoyed listening to the story, sequencing it and writing about the characters. The children will be writing their own version of this story in the coming weeks.

Today we explored the lake and forest settings from the story. The children enjoyed this sensory experience and are excited to write their stories using these settings and changing the characters to other woodland animals. We can not wait to read these stories and add them to our class book.

Well done Year 2!

Hello, my name is Danielle

Say hello if you see me around school.

My job is to help children that may be feeling worried, anxious or have low mood.

I work with children one-to-one, in small groups or delivering workshops to whole classes or year groups.

I also work with parents one-to-one or in groups delivering workshops to support your child.

If you think that your child might need some support from me, speak to his/her class teacher or Mrs Sutton.

I am an Education Mental Health Practitioner (EMHP), and I work for the Mental Health Support Team (MHST).

I will be in school the second Wednesday of every month. I will be available from 3:00-4:00pm if parents would like to speak to me.
