

Spotlight on Year 5

Year 5 recently enjoyed a wonderful Come and Share event, showcasing their learning from this term. In History, pupils have been exploring Ancient Greece, while in English they have been immersed in Greek mythology. Bringing these subjects together, and with fantastic support from their parents and guardians, the children designed and created their own Ancient Greek plates. The creativity, effort and historical detail on display were impressive, and it was a pleasure to share this learning with families.

In addition to this, Year 5 also welcomed a Road Safety Officer to school. During the visit, pupils learnt important information about how to stay safe on the roads, including being aware of their surroundings and making safe choices as pedestrians.

It was an engaging and valuable session that reinforced essential life skills.
