

### Spotlight on Year 6

We are delighted to update everyone on the wonderful activities taking place in Year 6. The children recently completed an engaging art project, crafting intricate Maya masks with Mod Rock. Each mask has been beautifully painted, reflecting the students' creativity and artistic flair. During English the children have been writing diary entries to showcase their writing skills. They have focused on using beautiful language and have made a concerted effort to improve their handwriting. This exercise has been instrumental in enhancing their ability to articulate thoughts and feelings, while also promoting neatness and presentation in their written work.

This week, Year 6 has also delved into the concept of ratio during their mathematics lessons. The students have been working diligently, engaging with mathematical language to deepen their understanding of ratios and their applications.

Moreover, the children have had the pleasure of hosting the youth mission team from the Diocese of Shrewsbury in school this week. This visit has been particularly meaningful as they prepare for the upcoming Lent season.
